July 29th, 2009

Dear Mo,

Please be advised that your request for use of the Point Pleasant Community Park on Sundays from noon until 6pm has been approved from September 6th thru November 15th, 2009. Use is granted pending receipt of your 2009 Insurance Certificate. It would also be greatly appreciated if you could forward to me an exact game schedule, so I can schedule a worker in the concession stand, which would allow the bathrooms to also be available.

As in the past, the lining of the field will be done by the Department of Public works, however you league must supply the paint to them as soon as possible. Kindly contact Chuck Mohr at the DPW to check on left over paint from the Spring and to make arrangements for paint delivery. The machine they use, takes the gallon paint not the little spray cans. You can reach Chuck at 732-892-1287.

Have a Great Season.

Sincerely,

Karen Haycook
Superintendent of Recreation
